

III. Administrative Personnel

Definitions

The Administrative Staff of the College consists of administrative officers, department directors, all those paid on a salaried basis, as well as staff paid on an hourly basis who are appointed as professionals. These administrative staff are appointed to positions that involve one-half or more of their responsibilities in duties primarily associated with higher education other than teaching.

The officers of the College include the President; the Vice President for Academic and Student Affairs; the Vice President for Administration/CFO; the Vice President for External Relations; the Vice President for Enrollment Services; and, the Vice President for Mission and Identity.

For more information, please see the *Administration Handbook*.
