JAMES PLACE MISSION STATEMENT:

Building relationships, responding to needs, and offering hope in the name of Jesus.

A COMMUNITY RESOURCE OF:

elmbrook.org/jpwaukesha
COUNSELING STUDENT OPPORTUNITIES:
• Explore best practices for integrating faith and psychology in the counseling field
• Assess, diagnose and develop treatment plans
• Provide individual therapy interventions
• Work with couples and families as available
• Document and maintain professional, confidential client records
• Collaborate with a multi-disciplinary team of staff and volunteers who assist with job searches, health care support, referral to community resources and spiritual support
• Facilitate psycho-educational and therapy groups
• Give presentations on mental health topics

SUPERVISION PROVIDED:
• On-site supervision provided by licensed professionals with 3 or more years of experience.
• Individual supervision provided weekly by Licensed Psychologists, Licensed Professional Counselors, Licensed Marriage and Family Therapists or Licensed Clinical Social Workers with 5 or more years of experience.
• Group training and supervision provided by a Licensed Psychologist with over 20 years of experience.

As a Christian ministry in the community we hold to the standards and values of our faith and at the same time faithfully adhere to the professional and ethical standards set forth by the American Counseling Association and any other ethical codes pertinent to the student’s area of study.

James Place is a faith based community resource of Elmbrook Church located in the greater Milwaukee area.

The James Place Mission is “Building relationships, responding to needs and offering hope in the name of Jesus.”

Counseling services are provided by Master’s level practicum and internship students as part of an array of free services that support those with limited resources in our community.

POPULATION SERVED:
• Adults, adolescents, couples and families
• Clinical issues such as depression, anxiety, life transitions, relationship stresses, trauma, addictions and chronic mental illness
• Culturally diverse living primarily in urban settings
• Homeless, low-income, or lacking in social support networks
