CLIENT POPULATION SERVED:
The purpose of the Crisis Resource Center is to reduce the number of people who, during a mental health crisis, are brought to an emergency room, are involuntarily hospitalized, or inappropriately incarcerated...Individuals typically stay at the Crisis Resource Center less than one week. During that time, they are connected to a network of appropriate community resources to assist them in their recovery.

Individuals must be 18 years of age or older, be experiencing psychiatric symptoms, voluntarily admit themselves, not be a danger to themselves or others, and be medically stable.
