Blue Angel Access is Mount Mary University's innovative program that automatically provides students with all required course materials on or before the first day of class. Launching summer 2024.

HOW IT WORKS

Full-time and part-time students are automatically enrolled at the time of registration

All required course materials are delivered before the first day of class

Physical books will need to be returned by the end of the semester

The program cost is added to the student account

Program Benefits

- + Prepares all students in the program with materials on the first day
- + One low cost for all required course materials
- + Eliminates the shopping process, saving students time and lowering stress
