Hello Dr. Scheidegger,

My name is Ruby Silvestrini, I'm writing on behalf of Roots Counseling Services, a newly opened AODA intensive outpatient treatment clinic on the east side. I got your contact information from a counselor who works here, Alicia Fleischmann. We are interested in becoming a placement location for students who need clinical internships.

If you could give me an overview of what would be required from us to get that process started, I would love to get the ball rolling right away.

Warm regards,

Ruby Silvestrini
