Based on your practicum/internship experience, select one of the following statements:

I wholeheartedly recommend this site for future students.

I recommend this site for future students.

I recommend this site, with reservations, for future students.

I do not recommend this site for future students.

Explain your statement.

My experience was wholeheartedly the best thing I could have asked for. The supervisors was great and you met weekly. The supervisor offered as much support as you need to be successful. The site is very immersive. You only work with youth for 2 weeks, and occasionally will get a long-term client. Also, this site does not provide as much clinical services as other sites might. People with person-centered, humanistic, play/Art therapy and other short-term orientations will do well.
