

# Thesis Binding Options

## Mount Mary University

Mount Mary instituted electronic theses in 2013. For anyone wondering how to still bind a thesis or dissertation, please see the options below.

Grimm Book Bindery  
Monona, WI

NOTE: Grimm was the last bindery to bind Mount Mary theses. They are one of the few that will do single copies.

A&H Bindery  
Buffalo Grove, IL

HF Group  
Multiple locations

Houchen Bindery  
Utica, NE

National Library Bindery Company of Indiana  
Indianapolis, IN

NOTE: You can also find other local binding options, such as FedEx Kinkos, which will bind your thesis cheaply and nicely, but not in the traditional thesis binding style called buckram.
