What is Counseling Like?
Together, you and your counselor will set goals, work toward achieving them, and assess how well you are actually meeting them. Counseling can help you maximize your potential and make positive changes in your life. Finally, remember that counseling may be hard work at times, but change and progress do happen. A professional counselor can provide the help and support to help you master the challenges of life.

Mental Health Counseling Services

A Campus of the University of Wisconsin Colleges
Available.

Mental Health Services are also sometimes available at local universities. If you are working on their professional degree program, contact your local university to find out if counseling services are available.

Staff

Counseling Services Notice of Privacy

Except as outlined in the Notice of Privacy, all information, whether written or oral, will be held in confidence and will not be released to anyone unless you give permission, or a parent or guardian if you are under 18. Giving permission to release information does not give you (or a parent or guardian) the right to be present during sessions or to participate in any formal or informal counseling.

Confidentiality

Confidentiality is maintained by the provider and will be protected with due care in an in-patient setting. Your information will be kept confidential. Your group therapy is available if your treatment requires long-term therapy. Group therapy is available if your individual therapy is available. If your individual therapy is available, group therapy is not available.

Services Offered

Your counseling will deal with situations which are out of your control. It is not the counselor's responsibility to provide behavior or learning skills to help you adjust to a difficult situation. It is not the counselor's responsibility to provide behavior or learning skills to help you adjust to a difficult situation. It is not the counselor's responsibility to provide behavior or learning skills to help you adjust to a difficult situation. It is not the counselor's responsibility to provide behavior or learning skills to help you adjust to a difficult situation.

If you are feeling sad, you may want to talk to a mental health professional. If you are feeling sad, you may want to talk to a mental health professional. If you are feeling sad, you may want to talk to a mental health professional. If you are feeling sad, you may want to talk to a mental health professional. If you are feeling sad, you may want to talk to a mental health professional.

Assistance If You:
