

WHAT OUR TOOLS DO

Start on the library home page!

**WORLD
CAT
DISCOVERY**

This truly global library catalog contains nearly all of our vast, multifaceted research resources. Great for finding articles, books, and DVDs on tons of topics, and for requesting materials we don't have!

TOPCAT

Our local library catalog. It contains materials from all 8 SWITCH group libraries, and you can easily narrow searches to Haggerty Library. Request too!

**DATABASES
A - Z**

Found in Databases A-Z or throughout Haggerty Help Guides, databases can help you find focused articles, reference, or streaming video on your topic.

**HAGGERTY
HELP GUIDES**

This research hub contains our most focused resources for every major. All departments and most courses have guides with specific books, journals, and more! Plus guides for citing sources and research strategies.

WHAT OUR TOOLS DO

Start on the library home page!

**EBOOK
CENTRAL**

Our main e-book database. It contains nearly 135,000 academic titles that are easily read across devices. No downloads necessary!

**E-JOURNAL
FINDER**

Quickly search all of Haggerty Library's e-journal subscriptions, and link to different databases to read them in.

**MY MOUNT
MARY**

Contains many useful links and help documents, as well as essential library forms.

SPACEFINDER

Book a library study room here! Regular computer login required.
