

WHAT OUR TOOLS DO

Start on the library home page!

PRIMO

This advanced catalog contains all our available formats. Great for finding articles, books, and DVDs on tons of topics, and for requesting materials we don't have! Includes SWITCH library resources.

DATABASES
A - Z

Link to our many licensed and Open Access databases from our home page or throughout Haggerty Help Guides. Databases can help you find focused articles, e-books, or streaming video on your topic.

HAGGERTY
HELP GUIDES

This research hub contains our most focused resources for every major. Find department guides with specific books, and journals, plus topic guides! And find guides for citing sources and Getting Started With Research.

E - BOOK
CENTRAL

Our main e-book database. Find nearly 150,000 academic e-books to use for research. Create a free account to discover more options. E-books also available in Primo.

And book a study room in **Spacefinder!**
