Comments: Include any suggestions for improvements in the experiences you have rated moderately (C) or very unsatisfactory (D).

+ It would have been nice to have had more experiences shadowing intake to see the assessment process. It also would have been helpful to get maybe a handout on resources for the community.

+ It would have been very helpful to sit in on family sessions as well as have the ability to conduct one. The family sessions are offered but many times as an intern it gets chaotic so there wasn't a ton of opportunity to sit in on one unless it was planned well in advance.
