This site did not offer an opportunity for group counseling. Initially I was told that I would be able to plan and implement a group program.

Based on your practicum/internship experience, select one of the following statements:

___ I wholeheartedly recommend this site for future students.

___ I recommend this site for future students.

___ I recommend this site, with reservations, for future students.

___ I do not recommend this site for future students.

Explain your statement:

This site offers an opportunity to work with a close knit team of professionals. As an intern at this site, I had a lot of freedom and responsibility. This is a good site for students who wish to work with children and urban populations. The site also offers the opportunity to work with individual clients over the course of many months. I would not recommend this site for someone who desires a lot of structure.
