Welcome to Genesee Lake School

Genesee Lake School is a nationally recognized school dedicated to improving the lives of children, adolescents, and young adults with developmental disabilities, mental health disorders, neurological disorders, or emotional disturbances. In addition, we offer specialized programs for students with Autism Spectrum Disorders, School and Anxiety Disorders, and Complex Trauma. As a Council on Accreditation certified residential treatment program, we follow an individualized, comprehensive, strategic, team approach, emphasizing positive behavior support, therapy, a family relationship, and developmentally appropriate activities by a team of qualified teachers and therapists. The 160-acre campus in Coldwater, Michigan, on a beautiful, sprawling setting where students from around the country gain the skills and experiences necessary to successfully return to their families, school districts, and communities. Our goal at Genesee Lake School is to provide an innovative and enriching environment for the students in our care to learn and experience all that life can offer. To provide a place to grow.
