James Place is an old building with old building issues - very cold this winter. Counseling office space is shared and sometimes difficult to reserve although they always had a way of working at - one needs to be flexible here.

Based on your practicum/internship experience, select one of the following statements:

X I wholeheartedly recommend this site for future students.

___ I recommend this site for future students.

___ I recommend this site, with reservations, for future students.

___ I do not recommend this site for future students.

Explain your statement.

James Place is a wonderful opportunity to immerse oneself into a community of the poor and suffering. The setting is warm, caring and genuine. As a Christian, a trainee will learn a great amount about integrating their faith with evidence-based practice.
