Comments: Include any suggestions for improvements in the experiences you have rated moderately (C) or very unsatisfactory (D).

There were not opportunities for any planning or programming at Empathia outside of arranging my own in-service based on a presentation I already had done that was relevant to our work at the site.

The areas I marked as non-applicable are family/couples counseling and group counseling because there isn’t a place within EAP counseling for groups, and none of the couples that came in wanted a student observer.

Based on your practicum/internship experience, select one of the following statements:

___ I wholeheartedly recommend this site for future students.

X I recommend this site for future students.

___ I recommend this site, with reservations, for future students.

___ I do not recommend this site for future students.

Explain your statement.

I think there are areas for improvement, however, now that they have had one intern, they have a better idea of what to expect from future interns. This should make the process move a little quicker for the next person.

Empathia has great opportunities for supervision and consultation with colleagues.
