- Tom was great. Lynore was a little more difficult to get time with and get quality supervision as she was in and out of the office. I never knew when she was going to be there and when time she would be available.

- We only used a few assessment tools. I would have liked to use more.

Based on your practicum/internship experience, select one of the following statements:

_____ I wholeheartedly recommend this site for future students.

_____ I recommend this site for future students.

X I recommend this site, with reservations, for future students.

_____ I do not recommend this site for future students.

Explain your statement.

I think when Tom was in charge of the interns and the supervisor it was great but when they cut his position and Lynore took over it wasn't as great of an experience. Lynore is a great person and I love her to death but its clear WCSC is putting way too much on her plate. If things settle down more and Lynore can dedicate more time to supervision it would be a great site!
