___ I recommend this site for future students.

___ I recommend this site, with reservations, for future students.

___ I do not recommend this site for future students.

Explain your statement.

I had a great experience at Forward Choices. The staff are welcoming and great resources for collaboration. I got experience with child and adult clients, and limited experience with family therapy. A downside of this site is no groups being offered, but I did receive a lot of hours working with trauma. The office is small, which means my counseling space frequently moved around, but there are plenty of resources in each room to utilize. You’ll really get out of this site what you put into it, and everyone is available to answer questions and offer support as needed. My supervisor is constantly available should I have need for him.
