Based on your practicum/internship experience, select one of the following statements:

___ I wholeheartedly recommend this site for future students.

___ I recommend this site for future students.

X I recommend this site, with reservations, for future students.

___ I do not recommend this site for future students.

Explain your statement.

I recommend this site if you want a lot of independence, group work experience, and knowledge w/ clients who have substance use disorders. Unfortunately, individual sessions w/ clients were not as frequent due to the nature of these clients. This situation is not within the control of the organization and/or supervisor. Proceed w/ the placement if you think you will be satisfied w/ primarily working w/ clients in a group-based environment. Students were also not allowed to take off during the Christmas/New Year's break. If this is an important period for you to take time off, you might want to reconsider this practicum site.
