Based on your practicum/internship experience, select one of the following statements:

___ I wholeheartedly recommend this site for future students.

___ I recommend this site for future students.

___ I recommend this site, with reservations, for future students.

___ I do not recommend this site for future students.

Explain your statement.

Throughout my time at Lad Lake St. Rose, there were more than a few changes to the core staff, ultimately placing more responsibility on myself as an intern. While stressful, I was grateful for the opportunity of these additional responsibilities, as I learn best from experience and being “thrown in”. However, I am unsure if that experience would have benefited interns of other personalities. This site is better suited to individuals who do not need to over-rely on supervisors, who are able to take more of a leadership role, and who have a lot of patience in working with colleagues.
