A cancer diagnosis can cause emotional distress for patients as well as their loved ones. Overwhelming feelings of sadness, frustration and fear are common emotions along the cancer journey.

Whether you’re newly diagnosed, in treatment, a survivor or a family member, Stillwaters’ professional counselors will listen and help you with coping and communication skills that can reduce your stress.

Stillwaters provides all of its professional services at no cost
~ without referral
~ without billing your insurance
~ at convenient times and locations

Our services include:
~ Individual and family counseling
~ Support groups
~ Workshops
~ Caregiver support
~ Information & resources

Stillwaters is an independent, non-profit cancer support organization serving Southeastern Wisconsin.
