There were I had the opportunity to act, address some issues that came up between me and my supervisor. My supervisor listened to me and made me feel validated. She also corrected her actions. My supervisor took a team approach and never made feel like I was just an intern. You do a lot of case management (a lot) and a lot of groups, but I currently run a group session (3hrs) once a week. I also had the opportunity to sit in on EMDR sessions.
