Based on your practicum/internship experience, select one of the following statements:

___ I wholeheartedly recommend this site for future students.
___ I recommend this site for future students.
X X I recommend this site, with reservations, for future students.
___ I do not recommend this site for future students.

Explain your statement.

This site is very restrictive on what students can do. My experience was good because of my site supervisor going out of her way to provide me with opportunities & experiences that I got. If I wouldn't have had her as my supervisor I wouldn't have stayed here.
